FOUNDERS 2010 DAY

Dear faculty, staff, and students,

Please accept my personal invitation to participate in Illinois State University's Founders Day celebration on Thursday, February 18, 2010. Founders Day is a time to pause and reflect upon Illinois State's heritage and its vision. It is also a day to honor the many accomplishments of our faculty, staff, and students.

During Founders Day 2010 Illinois State will revisit its Convocation traditions such as the presentation of Distinguished Professor, University Professor, Outstanding University Teachers and Researchers, and Outstanding University Service Award to name a few. We will honor the years of service of our University family and present an honorary degree.

Founders Day 2010 will also mark the unveiling of a unique twist on the ringing of the bell and introduce new ways to celebrate the success of our colleges and departments.

I hope you will take part in everything Founders Day 2010 has to offer. It is your day to look back and to look forward with a well-earned sense of pride.
